**From:** Todd Renshaw, Chief of Police  
**Date:** 4/12/2010  
**Re:** Monthly Report - March 2010

---

### **Report Summary:**

Crime data and monthly departmental activity is summarized with an historical perspective.

### **Comparative Data:**

March Uniform Crime Index Offenses increased more than 21 percent from February 2010, primarily due to burglaries of habitations and shoplifting (thefts). When compared to the same time last year, there shows to be a decrease 3.50 percent.

### **Report Analysis:**

There were 50 assaults reported; 29 incidents involved family violence.

Overall, burglaries decreased by 12 incidents; habitation burglaries increased by 16 incidents while building burglaries decreased by 4.

Of the 23 habitation burglaries reported, force was used to gain entry in four homes. Twelve homes were entered through an open garage door or unlocked door or window. Seven homes had no signs of forced entry so it is unknown how entry was made. Four of the five buildings burglarized were in construction sites.

Burglaries of Motor Vehicles decreased 27.83 percent from last month. Of the 29 burglaries reported, 12 occurred at residential locations and 17 occurred in the parking lots of apartment complexes and retail or commercial areas. At the residential locations, two vehicles were entered by force, seven were left unlocked, and it is unknown how entry was made in three vehicles. In the parking lots, ten vehicles were broken into, three were left unlocked and four vehicles had no signs of forced entry so it is unknown how the burglar entered. *There was one attempted burglary but the burglar was scared off when vehicle alarm went off.*
